RESOLUTION

New Delhi, the 4th June 1958

No. F.7-15/57-FY(D).—The Government of India have decided to set up a Committee on Fisheries Education to examine the question of existing training facilities in India and to consider the establishment of a higher training institute for supervisory personnel for fisheries. The Committee will consist of the following:—

1. Dr. N. K. Panikkar, Fisheries Development Adviser to the Government of India—*Chairman*.
2. Dr. G. L. Kesteven, Chief, Fishery Biology Branch, Food and Agricultural Organisation, United Nations, Rome—*Member*.

Two other members will be appointed to this Committee at a later date.

2. The terms of reference of the Committee will be as under:—

1. To review and assess the training requirements for fisheries personnel to man the administrative and executive positions in the fisheries development and research projects in India and for the growing needs of the industry.
2. To examine the need for higher or ancillary training facilities in the field of fisheries in the light of the present and future requirements of the Second and Third Plans and of the training courses now available.
3. To recommend the location, courses of study, the staff required and other practical details for the establishment of such training institute (institutes).

3. The Committee's headquarters will be in New Delhi and the members of the Committee may undertake such visits to the fisheries centres and other institutes as are necessary.

4. The report of the Committee should be submitted to the Government of India within three months after the constitution of the full Committee, but the Committee should at an early date make interim recommendations so that these may be examined and suitable administrative action initiated whenever necessary.

ORDER

ORDERED that a copy of the resolution be communicated to all State Governments, all Ministries and Departments of the Government of India, Cabinet Secretariat, Principal Private Secretary to the President, Military Secretary to the President, Prime Minister's Secretariat, Indian Trade Commissioners, All Indian Embassies, High Commissioner for India in London, Director of Commercial Intelligence and Statistics, Calcutta, High Commissioner for India in Pakistan, All Universities in India.

ORDERED also that it be published in the Gazette of India.

- (c) one representative to be nominated by the Government from each of the following:—
  - (i) Electrical Contractors in the State.
  - (ii) Electric Supply Licensees in the State.

3. Functions of the Board.—The functions of the Board shall be:—

1. to grant certificates and permits to electrical supervisors and wiremen,
2. to deal with applications and testimonials found to be incorrect and to take action as may be decided on,
3. to grant licences to electrical contractors,
4. to deal with cases of incompetence, negligence or malpractice on the part of electrical contractors supervisors or wiremen and of breach of these regulations and conditions, and
5. generally to carry out the provisions of these regulations and conditions.

NOTE.—Any decision given by the Board in the execution of its functions shall be final.

3-A. Sub-Committees.—The Board shall have power to appoint sub-committees, if necessary and delegate such of its powers to these sub-committees as the Board considers fit.

4. Meetings of the Board.—The Board shall ordinarily meet once a year. The Board shall also meet for transacting any special business, which cannot be disposed of by circulation of papers. Fifteen clear days' notice of every meeting shall be sent to each member by the Secretary.

5. Quorum.—Two members shall form a quorum at any meeting of the Board.

6. Duties of the President.—The duties of the President shall be:—

- (1) to preside over all meetings of the Board unless prevented by reasonable cause, and
- (2) to grant licences to electrical contractors, and certificates and permits to electrical supervisors and wiremen on behalf of the Board.

7. Chairman of the meetings.—The President, and in his absence, such one of the members present as may be elected by the meeting, shall be the Chairman of the meeting.

8. Duties of the Secretary.—The duties of the Secretary shall be:—

1. to scrutinize all applications for certificates and permits for electrical supervisors and wiremen and carry on correspondence in connection therewith,
2. to scrutinise all applications for electrical contractor's licences and submit the same to the President and carry on correspondence in connection therewith,
3. to countersign licences to electrical contractors at the time of their renewal.

- 4 to suspend licences, permits or take such disciplinary action as the nature of the case warrants, after obtaining the consent of the President,
- 5 to maintain a register of licensed electrical contractors, supervisors and wiremen holding permits,
- 6 to notify all electric supply undertakings concerned the licences and permits issued and/or cancelled,
- 7 to discharge such other functions as may be authorised by the Board

A duplicate of every certificate and permit granted under these regulations shall be recorded in the office of the Secretary.

## III LICENCE TO ELECTRICAL CONTRACTORS

**13 Application for Contractor's Licence.**—Applications for a contractor's Licence shall be made to the Secretary in Form "D"

**14 Grant of Electrical Contractor's Licence.**—An Electrical Contractor's Licence shall be granted in Form "E" only to such person who satisfies the Board that—

(a) he has in his possession the following—

- (i) One insulation resistance tester, 500 volts,
- (ii) One ammeter 6" dial portable type,
- (iii) One voltmeter 6" dial portable type,
- (iv) One earth resistance tester (preferable but not essential).

(b) he (i) either himself holds a certificate of competency and permit and personally executes or supervises all work undertaken by him, or

(ii) has in his employ an electrical supervisor holding a certificate of competency and permit under whose direct supervision all work undertaken by him is carried out.

Provided that the Board may refuse to grant such licence to any person who in the opinion of the Board is not fit to hold such licence.

**15 Electrical Contractor to keep instruments in good order.**—An electrical contractor to whom a licence in form E is granted shall keep the instruments necessary for carrying out the tests required under the Indian Electricity Rules, 1956 in good order.

**16 Cancellation of Contractor's Licence.**—(a) If the holder of a competency certificate, on the strength of whose permit a Licence has been granted to an Electrical Contractor, leaves the services of such contractors, such contractor's licence shall be deemed to have been suspended. Should such contractor fail to employ a person holding a competency certificate and the permit within one month from the date on which the holder of the competency certificate has left such contractor's service, such contractor's licence shall be cancelled.

The Secretary may, with the approval of the President, extend this period to a maximum of two months in extraordinary cases.

(b) If a holder of a Supervisor's permit to whom a contractor's licence has been granted, accepts employment in any other firm, the contractor's licence granted to such holder shall be automatically cancelled.

**17 Notice of termination of service of supervisors to be given by the electrical contractor and supervisors.**—If a supervisor's competency certificate holder in the employment of a licensed electrical contractor leaves his service the termination of such service together with his name and the competency certificate and the permit number shall be notified to the Secretary both by the electrical contractor, and the certificate holder.

**18 When Contractor's licence shall not be granted.**—A contractor's licence shall not be granted to any holder of a supervisor's permit whilst he is in the employ of any other firm.

**19 When contractor's licence may be cancelled.**—Board may at any time cancel a contractor's licence if the person to whom the licence is granted is, in the opinion of the Board not fit to hold such licence.

**20 Inspection of Instruments.**—All testing instruments in the possession of every electrical contractor shall be produced from time to time before the Electric Inspector or his representative for necessary inspection or testing.

**21 Staff of contractor.**—The entire staff of every licensed electrical Contractor shall consist of *bonafide* holders of competency certificates and full time employees.

Provided that contractor may engage apprentices for training in which case the total number of apprentices employed by him at any time shall not exceed 25 per cent of his total wiring staff, inclusive of apprentices, but exclusive of coolies, and provided further that the contractor shall not permit such apprentices to carry out any electrical installation work, including additions, alterations, repairs and adjustments to existing installations covered by rule 45 of the I.E. Rules 1956 except under the direct supervision of a person holding a certificate of competency and under the guidance of at least one certified wireman on the premises.

Every contractor shall maintain an up to date register in Form "F" of all supervisors, wiremen and apprentices and it shall be open to inspection at any time by the Electrical Inspector or his representative, to whom a copy of such register duly signed by the contractor shall be supplied.

No person, whose name is not entered in such register shall be considered to be a *bonafide* employee on the Contractor's wiring staff.

**22 Mode of Contract.**—Every contract for electrical installation work undertaken by a licensed electrical Contractor shall be in writing, and the licensed electrical contractor shall be held responsible for the quality of all material used.

**23 Notice of commencement of work.**—Notice of electric installation work, including additions, alterations, repairs and adjustment to existing installation except such replacement of lamps, fans, fuses, switches and other component parts of the installation as in no way alters its capacity or character, shall be given in writing by a licensed electrical contractor to the Electric Inspector within 48 hours of the commencement of such work.

**24 Test Report.**—For all electric installation work carried out under rule 45 of the I.E. Rules, 1956, a test report shall be submitted by the licensed electrical contractor to the Electricity Supply Authorities concerned and to the Electric Inspector. The test report shall be signed by the Supervisor under whose supervision the work has been carried out and countersigned by the licensed electrical contractor. The supervisor shall be wholly responsible for the work and shall be present at the time of testing.

**25 Register of contractors.**—A register of all licensed electrical contractors together with the staff employed by them shall be maintained by the Secretary.

**26 Renewal of contractor's licence.**—Every electrical contractor's licence granted under these regulations and conditions shall be renewable annually. Failure to renew licence within time shall render such licence liable to cancellation, and the

full initial fee as in paragraph 33(iii)(a) shall be charged for the issue of a new licence. Applications for renewal together with the original licence shall be submitted to the Secretary at least one month before the date of expiry of the licence.

27. **Grant of duplicate of contractor's licence.**—A duplicate copy of electrical contractor's licence granted under these regulations and conditions shall be issued on payment of the prescribed fee as in paragraph 33 (vi) and on production by the applicant of proof of the loss of the original licence to the satisfaction of the Secretary.

28. **Change of name of electrical Contractor.**—Any change in respect of the name of the electrical contractor to whom the licence is granted would be allowed on payment of the prescribed fee as in paragraph 33(V). Provided that such change does not involve a transfer or an assignment of the licence to another person.

#### IV. MISCONDUCT OF LICENCED CONTRACTORS, SUPERVISORS AND WIREMEN :

29. **Report of negligence.**—Where in the opinion of an electric supply undertaking or of a person for whom any electric installation work has been carried out, the work is not carried out in accordance with the I.E. Rules, 1956, the matter shall be reported to the Electric Inspector concerned for such action as may be deemed necessary by him.

30. **Malpractice or infringement of Regulations and conditions** to be reported.—If any person holding a permit and/or an electrical contractor's licence is found guilty of malpractice or infringement of these regulations and conditions, the Electric Inspector concerned shall report the fact with full investigation to the Board for such action as may be deemed necessary.

#### V. ELECTRICAL SUPPLY UNDERTAKINGS CARRYING ON THE BUSINESS OF ELECTRICAL CONTRACTORS:

31. **Supply undertakings to obtain contractor's licence.**—No electric work shall be carried out by any electric supply undertakings unless they have obtained an Electrical Contractor's licence and employed a separate staff of supervisors and wiremen, in compliance with these regulations and conditions:

Provided that where the services of a licensed electrical contractor are not available to the public in the area of supply of an electric supply undertaking, the licensing Board may exempt such electric supply undertaking from the obligation of appointing a separate staff of electrical supervisors and wiremen for a period of one year at a time.

32. **Cancellation of licence granted to electric supply undertaking.**—An electrical contractor's licence granted to an electric supply undertaking shall be liable to be withdrawn by the Board if it is found that preferential treatment is being given to prospective consumers with a view to gain an unfair advantage in competition with local contractors.

#### VI. FEES :

33. The following fees shall be levied under these regulations and conditions for:—
